

Internship Program

Company Background

Syntecxhub is a forward-thinking company that bridges learning with practical experience. We provide internship projects across exciting fields like **Web Development, UI/UX Design, Frontend & Backend Development, Data Science**, and more, helping students gain real-world skills.

Our internships offer mentorship, hands-on tasks, and exposure to live projects, enabling students to enhance their knowledge, build confidence, and prepare for successful careers.

CYBER Security

Instructions

- Share your internship status on **LinkedIn** and mention **@Syntecxhub**.
- Upload your **entire source code** to **GitHub**, creating a repository named: **Syntecxhub_Project_Name**.
- You will receive **weekly tasks** that must be completed and submitted via the **Submission Form** within the given time.
- **you are required to complete at least one project.** Completing **multiple projects** is optional but **highly encouraged**, as it **demonstrates initiative and a deeper interest in learning**.

Project - 1

SQL Injection Scanner

- Build a script that probes web inputs for common SQL injection patterns.
- Send crafted requests, detect vulnerability indicators, and report findings.
- Respect legal/ethical rules — only test on allowed targets (DVWA, local apps).
- Log results, add basic concurrency and rate-limiting.

 **Example : Link**

Project - 2

Web Vulnerability Scanner

- Create a scanner that detects reflected XSS or basic input-sanitization weaknesses.
- Crawl given pages, inject payloads, and analyze responses for injected scripts.
- Save vulnerable endpoints and example payloads to a report.
- Again — only test against permitted targets (DVWA, test servers).

 **Example : Link**

Submission Details

- 
- Each task consists of **three projects**. Every intern is **required to complete and submit at least one project** from each task.

- Completing all assigned weekly tasks is **mandatory** to successfully finish the internship. If an intern fails to complete the required projects, the internship will be considered **incomplete**, and the **certificate will not be issued**.

- Please ensure that all completed projects are submitted through the official **Submission Form** to confirm your **successful participation in the internship program**.

Thank You.
